The petitioner is a final year B.A.M.S. student who wrote the second year B.A.M.S. Examination held in November, 2006. The petitioner failed in one subject. The petitioner applied for revaluation and seeks a direction to the University to complete the revaluation process expeditiously. The petitioner also seeks a direction to permit her to write for the final year B.A.M.S. Examination.

In the facts and circumstances of the case, there would be a direction to the respondents to complete the revaluation process as expeditiously as possible, at any rate, within one month from the date of receipt of a copy of this judgment. However, I am not inclined to grant the prayer for permitting the petitioner for appearing for the final year examination since the petitioner is a

student of B.A.M.S. after passing which examination she has to deal with the health of the public and therefore, in such matters a stricter attitude is called for.

Writ petition is disposed of as above.
